TABLE

Spring 2016

Yes, that is a picture of our patio. Yes, we know it is 30 degrees out.

But that shouldn't stop you from entering our **PATIO POOL!** While winter is performing it's encore, you can be dining to score; appetizers for two, that is!

Join us for a meal anytime between **now and April 4th**, stop by the host stand on your way out, and chose the day on the calendar you think will be our **OPENING DAY!**

May the weather be forever in your favor!

Spring Sipping

It's officially Spring(!) and we think that deserves a celebration! But what to drink? It's still to cool for a crisp summer Shandy, too warm for a hot toddy... Not to fret, we're one step ahead! **The Thaw** is our ode to everything spring. The icy lime and cucumber vodka is just enough to refresh while the warm flavors of ginger and black pepper will keep you from reaching for another layer. Then there is pine.. A fresh-cut spruce syrup to remind you of exactly where you are; New England in the spring.

2 oz. Crop Cucumber Vodka
.5 oz. Fresh Squeezed Lime Juice
.5 oz. Spruce Simple Syrup*
Ginger Beer
Freshly ground Black Pepper

Shake the vodka, lime juice and spruce syrup with ice. Strain over fresh ice in a Collins glass and top with ginger beer. Garnish with a pinch of black pepper.

*To make the spruce syrup, boil 2 sprigs of spruce with 1 cup sugar and 1 cup water. Let cool.
