## TABLE

Winter 2017

*Relationships are complicated, dinner shouldn't have to be.*

Join us this **Valentine's Day** for a night of dazzling dining off our **regular menu**, with reservations available through Open Table (if you're the commitment type).

No prix fixe, no pressure; just the same great service you've come to love.

### *Recipe Request*

As we dive into the depths of winter we are constantly looking for something, anything, to keep us warm. Maybe it's a new scarf or pair of wool socks, or perhaps a cup of soup. To which we say, try our Onion Veloute!

15 Sweet Onions, chopped  
1 qt. Half & Half or Milk  
1 lb. Unsalted Butter  
Salt and Pepper

Sweat onions in large saucepan, do not brown. Pour in half & half or milk to cover onions. Add in the butter and simmer. Remove from heat and blend. Season with salt and pepper to taste.

### **Food is Love**

You know what they say: the way to the heart is through the stomach. So spread the **love** all year long with a gift card to Farmstead Table! The best way to guarantee happy hearts and full stomachs all around! **Gift Cards** are available for purchase at the restaurant and **Online** via our website!

*Free Chairs to Good Homes!* As many of you may have noticed, we've been doing a little bit of re-decorating around here. And while we're completely enamored with our new vibrant red chairs, we can't help but feel a fondness for the original green farmhouse chairs that have been a defining part of our aesthetic for so long. Whether for dining or decoration, these refurbished antique beauties could be the perfect addition to your home or business. All we ask is that you continue to admire them as we have for so long.
